OSITECHPLUS CONSTRUCTION COMPANY (NIG) LTD.

Building Your Vision — From Foundation to Finishing

Welcome to OSITECHPLUS CONSTRUCTION COMPANY (NIG) LTD., a professional construction company committed to delivering quality, durable and timely building solutions from scratch to completion.

The company is led by Eng. Alukwu Alfred Osita (Eng. Ositech), a Building Technology professional who graduated from Okoh Polytechnic, Anambra State, with both National Diploma (ND) and Higher National Diploma (HND) in Building Technology. He also gained valuable industrial experience with RCC (Reynolds Construction Company).

Over the years, Eng. Ositech has developed extensive practical experience in building construction and project execution, earning the confidence of clients, including Nigerians in the Diaspora, who entrust him with residential, commercial and community construction projects across Nigeria.

OUR SERVICES

We provide a complete construction solution under one professional team, including:

- 🏗️ **Building Construction: From site preparation and foundation to roofing, finishing and final handover.**
- 🎨 **Interior Decoration & Finishing: Modern interior finishing, painting, ceilings, flooring, tiling, kitchens, wardrobes and fittings.**
- 🔩 **Welding & Metal Fabrication: Gates, fences, railings, security doors, canopies and custom steel works.**
- 🪚 **Carpentry & Woodwork: Roofing, doors, wardrobes, kitchen cabinets, ceilings, furniture and custom woodwork.**
- 🔧 **Renovation & Reconstruction: Upgrading, remodeling and transforming existing properties.**
- 📐 **Project Coordination: Professional coordination of construction activities, skilled artisans and project schedules.**

WHY OSITECHPLUS?

We combine technical knowledge, practical experience, skilled workmanship and professional project coordination to deliver projects to the required standard.

Our commitment is built on:

QUALITY • DURABILITY • PROFESSIONALISM • INTEGRITY • TIMELY DELIVERY

We understand the needs of property owners and investors, particularly clients living abroad who need a trusted team to manage projects in Nigeria.

We maintain clear communication and take responsibility for coordinating the project from beginning to completion.

OUR PARTNERSHIP OPPORTUNITIES

We welcome mutually beneficial relationships with:

Property & Estate Developers • Real-Estate Investors • Project Managers • Diaspora Investors • Government & Community Projects • Corporate Organizations • Architects & Engineers • International Partners

Whether you have a complete architectural design or simply an idea, bring it to us. We can help transform your vision into a beautiful, functional and durable structure — delivered within an agreed timeframe.

WELCOME TO OSITECHPLUS

From Foundation to Finishing — We Build With Purpose.
